President's Report:

TW needs volunteers (at least 4 members) to sign up learn to run ticket sales. Ticket booth is open Monday and Friday from 12 to 3. Westerners and Dance Sensations are also providing volunteer help. Monday is best day for training.

Actually, we need more of you actively involved. Out of 185 plus members we only have about 65 actively involved. There are onetime activities like Ushering one night, to set building (many hands are happy hands), to technical training or sewing / costuming. If you indicated you want to do something, get a hold of producers and/or directors and let them know. Don't know who they are. Contact me.

No charge for guests to attend Tuesday performances at this time. However, all guests must register. What we do not want is non-members only attending Tuesday shows. Like many clubs you can come a few times or join.

Lights, lighting board, sound system, RTS, rear screen projection booth and online ticket sales and equipment have all been cleaned/updated and or purchased this fiscal year.

Lastly, ticket will now be \$15 for plays and \$20 for musicals. Price have been raised due to the higher cost for licenses/royalties
